

# MINNESOTA CRIME FREE MULTI-HOUSING PROGRAM

## REGISTRATION FORM 2009 Training - # 4

This training and the landlord guide that is provided by the Saint Paul Police Crime Prevention Unit is intended to foster healthy and safe neighborhoods through involvement by individuals that reduce the drug dealing and other illegal activity in our community. The manual and training should not be regarded as legal advice or considered a replacement for the landlord's responsibility to be familiar with the law. In that regard, I release the City of Saint Paul Police Department and its employees from all liability and responsibility from my participation in this program.
